PLEASE TEXT CLAIRE 0428 308 493

MARGARET RIVER WELCOME is a local volunteer group working within the Federal Government CRISP program (Community Refugee Integration and Settlement Pilot) in partnership with CRSA (Community Refugee Sponsorship Australia).

Our walk is to raise funds to provide a range of practical short-term supports for a refugee family coming to Margaret River.

Our aim is to make their transition into the community as smooth and positive as possible.

The refugees in this program have been identified by the UNHCR as urgent cases for resettlement.
